EXPERIENCE

Project Assistant, 2nd Floor JC Building, Delgado St. City Proper, Iloilo City — Mid-Level Frontend *Software Developer*

MAY 2019 - PRESENT

Hired as a React developer. I mainly focus on the View side of an MVC stack in a development process.

Waffle Time Group of Companies, Door 5 QHP Building Arsenal St. City Proper, Iloilo City — *Software Developer*

DECEMBER 2017 - MAY 2019

I started working on this company while on school to sustain my college expenses. I work mainly as a full-stack developer ranging from web to desktop development. I also oversee the database operations and report generation.

EDUCATION

Central Philippine University, Iloilo City, 2013 - 2018 —*Bachelor Of Science in Computer Science*
